

Summit Eye Associates P.C.
Cataract Surgery Questionnaire

1. Cataract surgery can almost always be safely postponed until you feel you need better vision. If stronger glasses won't improve your vision anymore and if the only way to help you see better is cataract surgery, do you feel your vision problem is bad enough to consider cataract surgery now?

YES **NO**

2. Would you prefer to be less dependent on glasses?

YES **NO**

3. Have you been able to read without glasses in recent years?

YES **NO**

4. If you had to wear glasses after surgery, for which activity would you be most willing to wear glasses?

Reading

Computer

Distance

5. Have you ever had refractive surgery? (LASIK, RK, PRK) **YES** **NO**

6. Would you be willing to pay out of pocket to reduce your need for glasses?

YES **NO**

7. Would others describe you as **easy going** or as a **perfectionist**, or **somewhere in between**? Please circle what best describes you.

8. Do you do a lot of close detail work (sewing, model building, etc.)?

YES **NO**

9. Does your distance vision impair your ability to drive or watch TV?

YES **NO**

10. Does your near vision impair your ability to read easily?

YES **NO**

11. Do you have much glare from headlights when driving at night?

YES **NO**
